

Online Chemical Card Plus

Register and pay \$190 to immediately gain **60 days access** to RuralBiz Online where you will find the resources and assessments to complete the online Chemical Card Plus course.

If you would like the additional unit AHCPMG301 Control Weeds (Queensland users) there is an additional fee of \$80 for which we will invoice you separately.

First timers (initial accreditation) will find our content is easy to access with lots of audio and video.

Initials are people who are either doing their chemical accreditation course:

- for the first time, or
- more than 6 years since they did the course last time.

Initials are to complete and submit the following:

- 6 quizzes in this course - satisfactorily completed. Feedback from each quiz will let you know if you have satisfactorily completed it or need to redo it.
- Records samples - completion of the records forms provided in this course for a farm with which you are familiar.
- Photo collection for the farm used in the records samples.
- Video showing you preparing, mixing and using a knapsack sprayer.

Refreshers are to complete and submit the following:

- Copy of previous chemical accreditation card or certificate showing you have completed this training within the past 6 years of the date of enrolment in this course.
- 6 quizzes in this course - satisfactorily completed. Feedback from each quiz will let you know if you have satisfactorily completed it or need to redo it.
- Records samples - completion of the records forms provided in this course for a farm with which you are familiar.
- Photo collection for the farm used in the records samples.
- Third party form.

Workplace or company computers: Please be aware the security arrangements on some company or government computers may restrict access to some learning materials. We are unable to resolve any issues arising from this situation.

How to register

1. Go to [RuralBiz Online](https://rbtonline.com.au/) (our learning management site <https://rbtonline.com.au/>)
2. Locate the Login block on the left hand side of the screen and click the link labelled *Create an account*
3. Fill in the required information and click the button *Create my new account*. Make sure you have noted your username and password details!
4. Check your email for an account confirmation message sent by the rbtonline.com.au site administrator. If no email arrives, check your spam filter.
5. Click on the authentication link sent in the account confirmation email to authenticate your user account.

6. Login to your account on <https://rbtonline.com.au/> with your username and password.
7. Go to 'All Courses' in the top bar then 'Agriculture' and then 'Chemical Card Plus'
8. Follow the instructions to pay the course fee using your credit card through PayPal. This will give you access to the course for 60 days.
9. Next time you come to RuralBiz Online (<https://rbtonline.com.au/>), you will find a direct link to the Chemical Card Plus course under the *My Dashboard* tab at the top of your RuralBiz Online page.

Distance Education

Receive a hard copy manual, workbook and calibration exercise to complete the training at home at times that suit you. Once complete, you will post your materials back to your trainer for marking. Contact your closest trainer from the following list to register.
