Procedure:

In the event that RuralBiz Training ceases to provide an original course (approved courses for VET Student Loans) or the affected parts of the original course in which the student is enrolled before it is completed:

- The tuition assurance scheme operator will ensure that the replacement course is the same as the original course or equivalent to the original course (approved course for VET Student Loans) in accordance with the tuition assurance arrangements requirements
- A student may seek a review of a decision about whether or not a course is a replacement course
- If the student accepts the offer of a replacement course, the student will:
 - not be required to pay the replacement provider for the replacement components of the replacement course; and
 - receive course credits for parts of the original course successfully completed
- The tuition fees for remainder of the replacement course may be different from the fees payable for the original course;
- The student will have a period of 6 months in which to accept the offer
- The tuition assurance scheme operator may extend that period of 6 months in circumstances that justify an extension;
- If there is no suitable replacement course, the student's VET FEE-HELP balance will be re-credited for the affected parts of the original course approved course for VET Student Loans
