

Short Courses – Fully Subsidised – NSW only

Here's an opportunity to complete Nationally Accredited units which are fully subsidised by the NSW Government. We're offering these units of competency under the NSW Smart and Skilled (part qualifications) funding program.

There is **NO** student contribution required. Training is offered online – no travel required.

To be eligible, you must be an Australian citizen, Australian permanent resident, Australian permanent humanitarian visa holder or New Zealand citizen. You must also live or work in NSW; be over 15 years of age and have left school. Normal entry requirements apply (refer to our website for details)

Delivery: Training is offered online. All materials are available online in our learning management system, RuralBiz Online. Group tutorials may be run in our virtual classroom.
You will require a computer with at least Windows 7 and a stable internet connection.

Costs: No student fees are payable.

Topics: Choose from the following topics. Full details of units included in each topic can be obtained from www.training.gov.au, enter the unit code in the search field.

Please let us know if the topic you're interested in is not shown.

Complete the Expression of Interest form over page and return to us with an email explaining why you want to do the training. The funding is available to help improve business productivity, or to gain skills to enter the workforce. Explain how this applies to your particular business (give an example).

Once we receive your expression of interest, we will put an application together for the funding (normally takes about 2-3 weeks for notification).
