

# Regional & Remote SCHOLARSHIPS

## Apply Now

RuralBiz Training is offering scholarships to help you take charge of your future.

Two scholarships for the AHC50116 Diploma of Agriculture are now available. These scholarships are valued at \$11,000 each. One Scholarship is reserved for applicants aged 18-30, the other is open to all ages.

### Applicants must:

1. Meet the entry requirements as detailed on our website <http://www.ruralbiztraining.com.au/courses/diploma-of-agriculture>
2. Be an Australian citizen or permanent resident residing in an outer regional, remote or very remote area of Australia as defined by the attached map.
3. Complete and lodge this application form by 31 January 2019
4. Tell us in 250 words how you see farming in your future and how completing your chosen course will help you achieve your goals?
5. The successful applicants must complete all required enrolment procedures by 28 February 2019.

*Whatever type of farmer you want to be - our training can help improve your skills.*

# Map of Australia showing areas of varying geographic remoteness

## Accessibility Remoteness Index Australia 2006

ARIA+ and ARIA++ are indices of remoteness derived from measures of road distance between populated localities and service centres. These road distance measures are then used to generate a remoteness score for any location in Australia.
