Food You Can Trust

Welcome to Food You Can Trust

Western Australia produces some of the world's highest quality fresh food.

Ready to eat foods and ingredients in other products alike, Western Australian farmers are world class.

Our **grains**, **meat**, **honey**, and **milk** are all recognised for being both safe and clean.

Our Purpose

**FOOD
YOU CAN
TRUST**

Learn About How We Farm

Knowledge, and therefore Education is an important foundation for building trust. Food You Can Trust caters for everyone ranging from kids to consumers; from grassroots knowledge to technical competency.

Whether you're preparing a lesson, a research paper or a shopping list, you'll find useful ideas. We do that through a range of tools including primary student learning aids, information from the source and expert guides.

The Type of Information You'll Find

Products grown and the regions they're grown in.

Farmyard Activities and when they're completed.

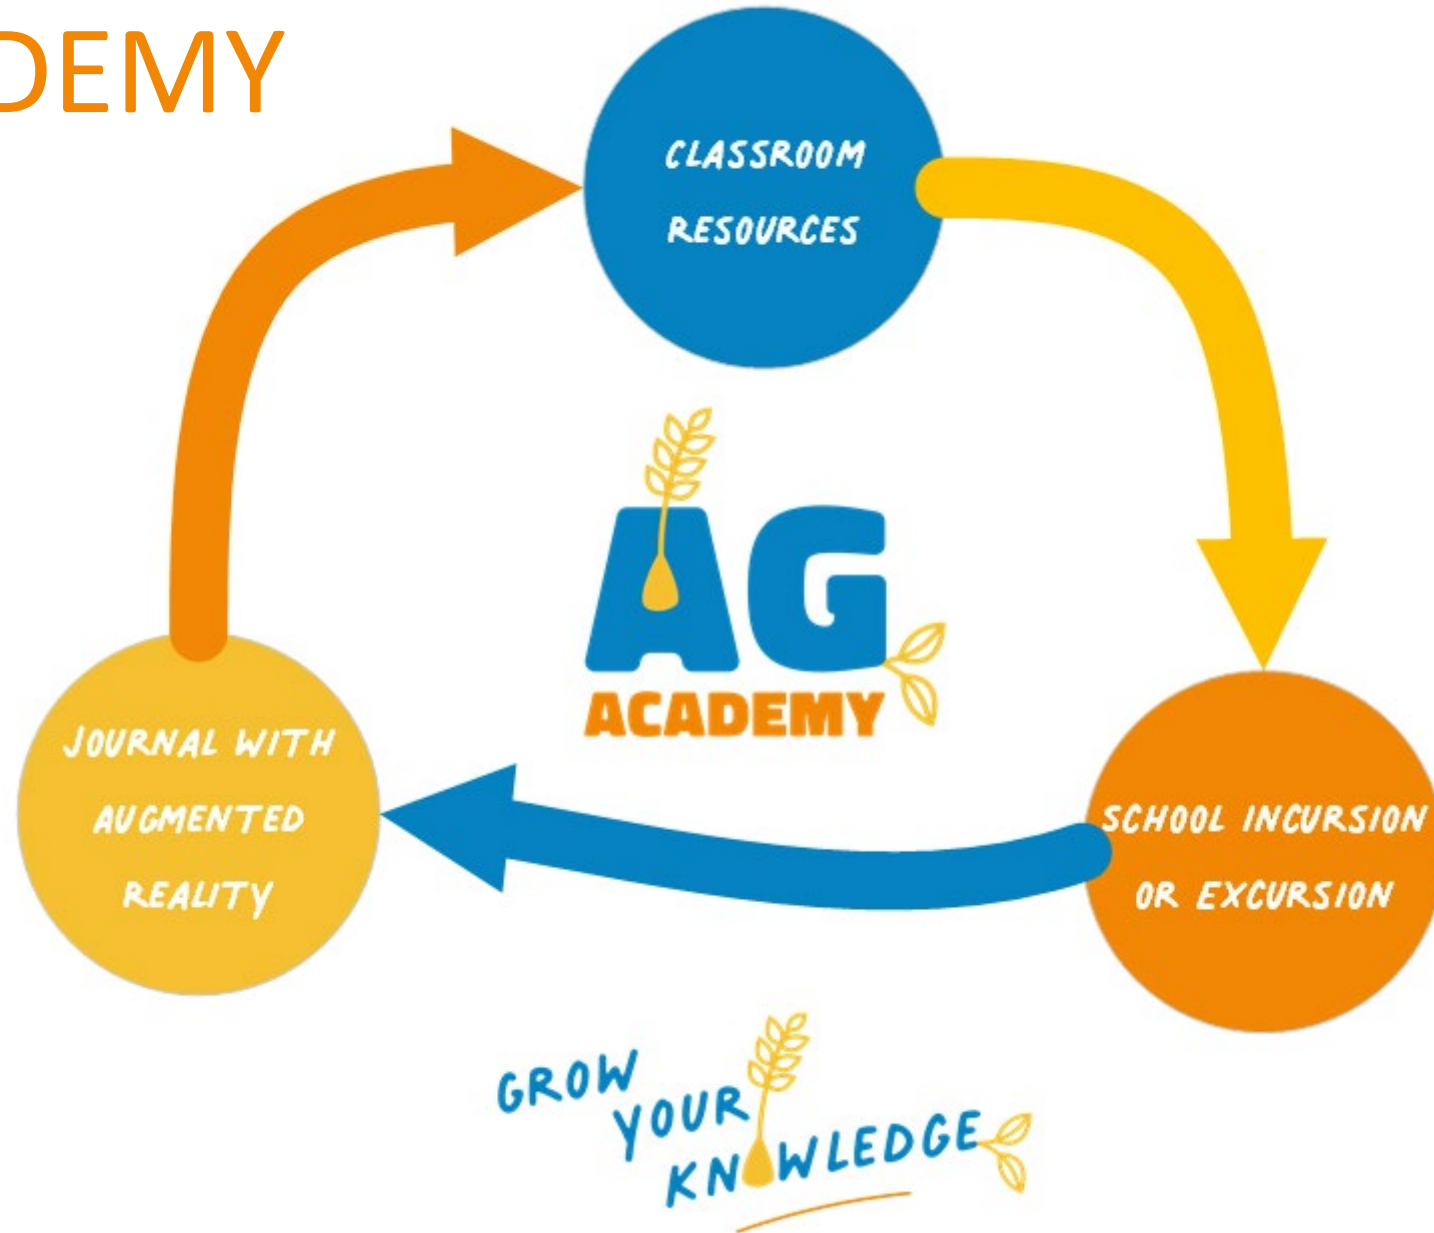

Where you can buy locally grown and packed products.

Occupations in Agricultural.

What's your why?

Job Progression & job diversity

And there you have it!

- Choose your passion – wide array of jobs available.
- Qualifications are vital - agribusiness and business administration requirements within industry rising.
- Written and verbal communication – still important.
- Make a living from something that you are passionate about.
- Progression and diversity with an Ag career is possible, but you may have to think laterally to achieve it.
- While COVID brings VUCA to daily life, everyone still needs to eat and be clothed thus future opportunities in Ag are growing within certain areas.
