

Brush up your skills and improve your farm productivity by completing nationally accredited units. Any successfully completed units may be credit transferred towards a full qualification in the future – a great way to kick start a qualification!

Select from the following units listed below or contact us to design a customised unit package. Select 3 units maximum (e.g. Soils 2 units + Farm Planning 1 unit = 3 units).

Soils (2 units)

- AHCSOL406 Sample soils and interpret results
- AHCSOL505 Monitor and manage soils for production

Farm Planning (1 unit)

- AHCAGB513 Develop a farm plan

Livestock (3 units)

- AHCLSK510 Develop production plans for livestock
- AHCLSK504 Develop livestock health and welfare strategies
- AHCLSK509 Develop and implement a breeding strategy

Crops (3 units)

- AHCBAC509 Plan and manage long-term weed, pest and disease control in crops
- AHCBAC512 Develop production plans for crops or pastures
- AHCBAC513 Apply plant biology to agronomic practices

Risk Management (2 units)

- AHCBUS610 Manage agribusiness risk
- AHCAGB518 Develop climate risk management strategies

Succession Planning (1 unit)

- AHCBUS512 Develop and implement family business structures and relationships
- AHCAGB607 Manage succession planning

Workplace Health and Safety (1 unit)

- AHCWHS402 Maintain workplace health and safety processes

Farm Record Keeping (3 units)

- AHCAGB302 Keep production records for a primary production business
- AHCAGB406 Keep financial records for primary production business
- AHCBUS406 Administer finance, insurance and legal requirements

Farm Business Management (3 units)

- AHCBUS516 Develop and review a business plan
- AHCBUS517 Monitor and review business performance
- AHCBUS518 Prepare and monitor budgets and financial reports

Chemical Card Plus (2 units)

- AHCCHM307 Prepare and apply chemicals to control pest, weeds and diseases
- AHCCHM304 Transport and store chemicals

This is the standard AQF3 chemical accreditation for farmers – is yours up to date?

PART QUALIFICATIONS

Fees: State governments periodically offer course fee subsidies.

Delivery: Training is offered online – no travel required.

Eligibility: To be eligible you must:

- Live or work in NSW
- Be 15 years of age or older
- Have left school
- Be an Australian citizen, Australian permanent resident, Australian permanent humanitarian visa holder or New Zealand citizen.
- Have access to a commercial farm to use for your course work and assessments.

Expression of Interest Form

We expect it will take 2-3 weeks for us to be notified if the application is approved. Please provide the following information which is required to submit your application.

First Name:

Surname:

Home Address:

Postal Address:

Mobile Phone:

Home Phone:

Email Address:

DOB:

Type of agriculture are you involved in (Livestock, Cropping, Horticulture, Agronomy etc)

Please advise how this training will benefit you, your employer and the industry? (e.g. improve farm profitability, make you more employable, build business resilience or drought recovery, enable you to study further etc.)

Please email your completed form to admin@ruralbiztraining.com.au
